

# Tuesday Women's League-2024

## **What is it?**

Women's League is a fun league for women who are new to the game of golf. It's designed to be fun and casual; a relaxing round of golf with other women! This league is welcoming to golfers of all skill levels who are looking for some entertaining competition.

## **When is it?**

Women's League will begin on Tuesday, June 18th, and run each Tuesday for 8 weeks. Shotgun start each Tuesday at 5:30 pm.

## **How much is it?**

The fee to join the league is \$60 per 2-person team(to be used for the end of season dinner). Regular greens and carts fees will need to be paid weekly. There is also a \$10 optional money game per 2-person team each week for those who want to participate.

## **Format**

The format will be a scramble. A 2-person team will play with a different twosome each week. Each week you will get a card to keep track of your team's score for your round of golf along with the game for the week.

## **League Winner**

Scores for each team's rounds for the 8 weeks will be averaged to arrive at a winner. Winners will not get a major award, just bragging rights and maybe a little something extra!
